

AIRMAZE^{PAT PEND} CUBE II PROTECT YOUR AIR PATH

AirMaze is a compact air path protection capable of removing wind-driven water and sand particles from even high air speed applications.

The AirMaze is designed for rough climate conditions, optimising filter service life and protecting the shelter and cabinet applications from intruding water and sand particles.

FEATURES

- Flexible mounting and flexible air intake
- Outdoor mounting, a discrete and elegant solution
- Constructed of sheet metal (Aluzinc AZ150)
- Low pressure drop, thus optimising your power consumption

TECHNICAL DATA

Model	Airmaze Cube II	
Dantherm No.		081993
Material		aluzinc
Pressure drop	Pa	30
Height	mm	505
Width	mm	454
Depth	mm	454
Weight	kg	18

DIMENSIONS
